OTHERS EXCUSED: Tali Bruce, City Council

The entire meeting revolved around our history book. Max Evans presented the information he had received regarding the printing of our book. He had made a presentation the night before to the City Council. The council decided that 2,000 copies of the book will be printed. Storage will be at the warehouse and some in our closet at City Hall. Cost of the book will be \$20.00, with three for \$50.00.

Ann Eatchel will oversee the information regarding the book being printed in the insert for Butlerville Days. She will check with Dan Metcalf on the photo to use and his article that will appear in the July newsletter.

The committee decided to do a presale of the book prior to Butlerville Days. The cost per book on the presale will be \$17.00. Ms. Eatchel will also take care of putting this information on the city's website. This presale will begin as soon as the information is on the website, and will continue until July 13, 2018.

Allen Roberts has agreed to join us at our display on July 24, 2018. He will sign books from 5:00 P.M. until 7:00 P.M.

Gayle Conger reported on information received from UDOT. Because they will destroy two of the houses on our ILS grouping of historic sites, they will give us up to \$10,000.00. This amount can be used in the printing of our book.

Sylvia Orton reported on our display for Butlerville Days. It looks like the ladies on our committee will be those who will help with the display this year. We will sell books at our tent. The display will be the photos from the book, along with photos of the ILS homes. Some aerial photos will also be displayed.

There is still no word on our ZAP grant. We found out that the Art Council has also applied for the grant.

Meeting adjourned at 6:45 P.M.
